

NEWS RELEASE

1-7-09

The Environmental Information Association – Arizona Chapter - Asbestos Regulatory Seminars has been approved for American Indoor Air Quality Council (AmIAQC) Recertification Credits. Your course will be listed on the AmIAQC website as a registered course for recertification credits for attendance. This registration is effective for a one year period and will expire on 4-17-10.

The Seminars have been accepted for **7 RCs** (recertification credits)

The EIA-AZ Chapter will provide attendance certification with the assigned registration reference number for documentation.
